VIII. GENERAL INFORMATION

VIII.A PLANT VARIETY RIGHTS VALID IN NEW ZEALAND AS AT 31 DECEMBER 2010

Variety Denomination (Commercial name*)	Grant Number Date	Address Code a. Grantee b. Address for Service (where applicable)
1	2	3

*In the case of some protected varieties the breeder may use a "commercial name" as well as the variety denomination. In response to requests for such information from the nursery industry, commercial names, if known, have been included in this list of valid plant variety rights.

It is stressed that reference in this Journal to a commercial name does not imply official recognition of the name or that the breeder concerned has any exclusive rights to it. For each protected variety, it is the variety denomination that is the official designation, over which the breeder enjoys an exclusive right of use.

VIII.B CLOSING DATES – NOTICE TO BREEDERS ENTERING VARIETIES IN CENTRAL DUS TRIALS CONDUCTED BY THE PVR OFFICE

You will need to meet the following deadlines in order to have your variety included in the central trials to be established in 2011.

Grasses, white clover	i) Apply in writing to have a variety included in trial and supply technical questionnaire by 1 February 2011. ii) Make application by 1 March 2011.
Winter cereals	Make application by 15 April 2011.
Roses	Make application by 31 March 2011.

VIII.C PROPOSAL TO CHANGE THE CLOSING DATE FOR WHITE CLOVER VARIETY APPLICATIONS FOR INCLUSION IN THAT YEAR'S CENTRALISED TRIAL

At present the deadline to make an application for a variety to be included in that year's centralised trials is to "make application by 1 February".

It is proposed to change the deadline for applications to 15th January.

A new deadline is necessary due to a change in the trial protocols for white clover testing. Trial planting dates will now be earlier and have been changed to early February. This earlier application closing date is required in order to know which varieties are to be included in the earlier trial planting.

All comments on this proposal are welcome and should be sent to jennifer.jebson@pvr.govt.nz by 14 March 2011.

VIII.D PROPOSAL TO CHANGE THE CLOSING DATE FOR POTATO VARIETY APPLICATIONS FOR INCLUSION IN THAT YEAR'S CENTRALISED TRIAL

At present the deadline to make an application for a variety to be included in that year's centralised trial is to "make application by 1 September".

It is proposed to change the deadline for application to 1st August.

The current closing date does not allow sufficient time to source tubers of the required varieties and to plant out the trial. An earlier closing date is necessary to provide this required time for trial planning and organisation, resulting in improved trial quality and completeness.

All comments on this proposal are welcome and should be sent to jennifer.jebson@pvr.govt.nz by 14 March 2011.

VIII.E TECHNICAL QUESTIONNAIRES ON THE WEBSITE

In the near future the existing technical questionnaires on the website for fruit species will be replaced with an updated version. In addition the technical questionnaire for blueberry (*Vaccinium*) will be available on the website.

We remind you that all applications must be made using the most up to date version for each species specific technical questionnaire. If you hold a particular technical questionnaire on file then periodically check it is the most up to date version. This also applies to the application form as from time to time this form is also updated.
